Summer Ball

The Greenfield Girls Basketball Club "GGBC" is looking for athletic, motivated and passionate girls going into 4th-8th grade in 2017-2018 School year to participate in this CLUB level, summer program. The GGBC is a not-for-profit select basketball club formed by the Coach of the Greenfield High School Girls Varsity basketball team and parent volunteers.

The teams will be participating in the South Milwaukee Summer Basketball League. Summer Ball is a great way to learn new skills or continue to work and build on the skills that the girls have learned over the season. The league typically has 2 games on Thursday nights from mid-June to mid-July, lasting 5-6 weeks. The League fee for each girl is \$40, which includes a Team t-shirt. Practice schedules will be determined once teams are finalized.

If your daughter wants to play over the summer, please search for 'Greenfield Girls Basketball Club' on Facebook and follow the link on our top post to our Summer waiver/sign up form. We must have the form completed by **Wednesday, April 26th**.
