

# Big Ideas Math Website

1. Go to the website [www.bigideasmath.com](http://www.bigideasmath.com)
2. Click on the **student** tab.
3. Then go to the **school edition tab** to log in.
4. Your **username** will be your first initial and last name
5. The **password** is your birthday as **month, day, year**-single digit birthdays need a zero in front of the day, but single digit months do not (for example a July 4, 2000 birthday would have a password of 7042000)
6. This will take you to your correct math book

## School Edition

- Password required
- Includes complete Record and Practice Journal
- No banner advertisements

### Log in for Access
