IMPORTANT: Hawks Youth Football Information

Prior to the beginning of the season there will be a **mandatory player/parent meeting**. At this meeting concussion precautions and guidelines, GYFP and parent/player responsibilities, will be covered. The 2016 Greenfield Youth Football coaches will be present along with the Greenfield Youth Football Board. We will discuss rules, expectations, and answer questions. Attendance is **mandatory** in order for your child to participate in the GYFP. The date will be announced on the GYFP website and Facebook page.

The Greenfield Hawk's Youth Football Program is a member of the AAYFL, an independent football league and operates as a select program. All participants earn their playing time, which is determined by the coaches based on practice, effort, knowledge and attitude. If needed, any necessary cuts and/or removal from the program can be made based on team size, rule violations, and attitude – based on both player and parent signed codes of conduct.

The Youth Football Program is not a program under the Greenfield School District. The Youth program does however use the boundaries of the Greenfield School District to obtain most of its players.
