

January 17, 2017

Dear Volleyball Participants:

As you are aware there are a large number of girls trying out for the GMS volleyball team and only approximately 15 girls will make each team at the 7th and 8th grade level. All coaches will be looking during try-outs for girls that are skilled or show potential for a high skill level and that are coachable. Along with that trait it is expected that the girls on the team meet the academic requirements, have no behavioral problems, and show respect for the coaches and other girls.

It is important to remember that if you do not make the team there are other opportunities to improve your volleyball skills. There are numerous volleyball camps offered throughout the summer, please see Mrs. Pfeifer for information.

Due to the large interest in 7th and 8th grade girls' volleyball, Try-outs will be conducted separately. Each athlete is required to attend both try-out dates to be considered for the team.

TRY-OUT DATES and TIMES

7th grade girls ONLY: Monday, January 23rd and Tuesday, January 24th (2:45 -4:30)

8th grade girls ONLY- Wednesday, January 25th 2:45-5:15 and Thursday, January 26th 2:45-4:30

All girls must have a physical form on file once they make the team in order to practice and participate in matches. Each girl must also pay the \$25 athletic fee once they have been announced as part of the team.

We encourage you to do your best during this try-out period!

If you have any questions please contact Mrs. Pfeifer at bpfeifer@greenfield.k12.wi.us or 414-281-3350
