

September 2016

Dear Parents/Guardians of Gold House Students,

Welcome to the 2016-2017 school year! We are looking forward to working with students and parents to make this a year of academic progress for all students.

Listed below are the contact numbers for Gold House teachers. You can email Gold House teachers by accessing the Greenfield School District web page at <http://www.greenfield.k12.wi.us/gms/> or by using the individual email addresses listed below.

Gold House teachers stress student responsibility for behavior and academic achievement. We will spend time this week reviewing the school and classroom procedures and students will have the opportunity to ask questions. We will help students show their **Hawk Pride** by encouraging them to be present and prepared for class each day with all necessary materials and completed homework. Consistent, conscientious preparation is the key to success in eighth grade.

Students are expected to carry his/her agenda during the school day. Students are expected to complete the daily assignment list for each class, and show you their agenda each day. Teachers may write notes to you in the student agenda.

To stay informed regarding student academic progress

- **Check the agenda** on a daily basis. Ask to see assignments for each class.
- **Check grades on the Infinite Campus Parent Portal** on at least a weekly basis. If you do not have a password, contact the main office.
- **Check the Gold House web page** for a list of daily assignments and house activities.

Sincerely,
